Saturday night 2/25 is the Turnabout Dance "Dancing with the Stars." Tickets \$15 go on sale next week. Wrestling sectionals - 12 wrestlers; most ever. Girls Basketball - Thursday is last game before playoffs (2/15 @ ICCP). We are hosting sectionals (2/20 & 23) and will need volunteers. Karey Moore knows. Boys Basketball - Playoffs begin 2/27. Glenbard South Winter Concert 2/15 - volunteers needed, contact Dr. Dewald. Band is traveling to Wisconsin over 3/3 - 3/5. ## VI. **Committee Reports**

### **Recent Events:**

**Valentines for Vets**- Over 300 students participated, with the largest showing from Glenbard South. A WWII Veteran was there, an amazing retired lady who was an aircraft mechanic. She was a treat for the students to personally thank and talk to and she had a great time as well.

**Raider Wear** – There is a new “noodie” (sweatshirt without a hood), which is a hit and will be offered at other events and part of Raider Wear.

### **3 On 3 - Carrie Daca via email**

The posters are hung at South and have been sent to all the feeder schools. Registration forms and posters have been sent electronically to our feeder schools and PTC along with surrounding school districts. We asked them to put in their e-backpacks and e-communications. Announcements are being made at home basketball games. High school clubs are signing up volunteers. We are going to setting up a sign up genius for adult volunteers; any ideas to recruit volunteers would be appreciated. We will be touching base with Karey.

### **ACTS - Sam Reif**

Report for Valentines' for Vets above noted in Recent Events. The next project coming up on Presidents' Day, February 2th is Project Linus with all four schools. The students will make Fleece Tie Blankets. Fleece donations are welcome

### **Booster Bucks – Marla Jedlicka**

Booster Bucks are available with a surplus in house stock as minimum orders need to be met. Over 20 students and 1 donor raised \$2000 in proceeds from Booster Buck Sales for an upcoming trip. Marla will continue to promote Booster Bucks with special flyers.

### **Buy-a-Brick - Andrea Leppert**

No news, flyer was updated with new pricing schedule in both black and white and color.

### **Concessions - Karey Moore**

Pack the Place – went really well. Had 2 food sites, it went well and more manageable than last year. Sold \$1700 in concessions, 2016 was \$1600. 150 (all) Chik Filet sandwiches were sold, but had some left over pizza. Volunteer recruitment was extended to all sports and parents and positions were filled. The food style of being “eat and go” worked better than a sit down meal as in the past. Wrestling meets have ended. Boys Basketball has 2 games left. Girls Basketball needs more support. 3 on 3 basketball will need to work on adjustments for food options and location. Boys and Girls track may have an opener and closer.

### **Floral Symphony - Susan Vanderford**

25<sup>th</sup> Anniversary with a theme of silver on February 28<sup>th</sup>. The event will be hosted at Glenbard South this year. Posters will be hung around town and hopefully at train stations. Envelopes have been prepped with 5 tickets each and send home with all students in band and orchestra. MC and 4 florists are participating. Glenbard West has filled many of volunteer positions needed. Tickets sold via Mrs. Skisas and Dr. Dewald. Can also buy tickets online also. \$15 in advance/\$18 at door.

### **Pack the Place – Karey**

First Restaurant night is tonight at Portillos. Chili Cook Of had 80 people attend. Was hosted at a church in downtown Glen Ellyn and was BYOB. It had a great turn out and a lot of fun. \$11,000 was raised.

### **Raider Spirit Yard Sign– No Report**

### **Raider Wear– No Report**

### **Senior Showcase – by Erin Stafford**

March 18<sup>th</sup>. Applications have been sent to all seniors, so far 47 have enrolled. The goal is 60 for this year. There will be a silent auction. Ticket prices are \$40 adults and \$25 for students. Erin noted that as enrollment is down a bit, but it should be a great event and in coming years the attendance will move up with increasing enrollment.

### **Super Bowl Pool – Matt Doman via email**

The Super Bowl Squares Pool ended last night. We had 4 separate winners with 3 individuals winning \$250 each and one winning \$500. The pool raised \$250 for the Boosters. Everything seemed to run smoothly and we'll hope to build on it next year. Special thanks to Gabriella Bean for

setting up online payment via School Pay which really helped streamline everything. An email went out to all who participated this morning thanking them for playing and contributing and also asking that they keep their eyes open for our upcoming March Madness College Basketball tournament pool. Still trying to figure out if we should do the normal bracket pool or something similar to the Super Bowl Squares Pool. A normal bracket pool would likely have 3-5 winners where the Squares Pool has a winner for every game of the tournament (63 games). This one would take a little more work from a bookkeeping perspective, so we'll have to figure that out over the next few weeks..
