

## Glenbard South Boosters Meeting Minutes – January 9, 2017

**Attendees:** Mark Pfefferman/Co-President, Martha Pfefferman/Co-President, Nanette Reynolds/2<sup>nd</sup> Co-Vice-President, Rob Reynolds/2<sup>nd</sup> Co-Vice-President, Gabriella Bean/Treasurer, Debbie Ruggerio, Karey Moore

- I. Call of Order, Mark Pfefferman**  
Meeting called to Order at 7:11pm
  
- II. Secretary's Report, Andrea Leppert**  
Review of November 7, 2016 meeting minutes. Debbie Ruggerio made a motion to accept the November minutes, Nanette Reynolds seconded.
  
- III. Principal's Report, Sandra Coughlin via email**  
A Booster Donation list for 2016-17 and some 2018 items has been provided. There are three columns indicating the designated Booster fundraising events. Amongst the three committee chairs, they should discuss which items make most sense for auction or raffle at their event. Big purchases have been parking, graduation, and electronic birthday. Coffee, pizza and lunches are a close. New these years are item #9, 17, 18, 19, 20. I've rebranded other items to create interest or clarify. Linda will be printing 8x11 flyers (to be put in frames) and the redeemable certificates. Those will be ready later this week. I would highly recommend that Winter Social select their prizes first. Any that do not get snatched up or meet your minimum bid can then roll over to next event. Due to limitations, we cannot honor requests for additional parking or graduation packages.

January 20th Pack the Place - it should be a great event. I'm glad we'll have so many of you in attendance. We are using this occasion to not only showcase our winter athletic spirit, but to celebrate Glenbard's Centennial year. South opened its doors in 1972, so we are advertising a 1970s theme for the evening. There will be student dress up day, throw-back music and games, and lip-syncing. Please spread the word and get out your 70s groove.

#### **IV. Officers' Reports**

- 1. Co-Presidents, Mark and Martha**  
**Announcements & Correspondence – None**  
**Boosters Calendar of Events – No changes**

- 2. 1<sup>st</sup> Vice-President, Monica Padera via email**  
Committee Chair(s) have been filled for positions going forward. Our next big concessions event is the Pack the Place and Karey and I have both met with Mr. Cuny.

This is the month that I will put together a Nominating Committee for the positions on the Executive Board that will be coming open for the 2017-2018 year. Those positions include as of right now: 1<sup>st</sup> V.P., Treasurer, and Secretary. Anyone who is interested in being on the nominating committee, please contact me soon as we will begin our search by month's end and continue until we fill the openings. The 1<sup>st</sup> V.P. (myself) serves as the chair of this committee according to the By Laws.

Martha, Debbie Ruggerio (Thank you for your help) as well as myself did an inventory of the Booster Closet (located on the 2<sup>nd</sup> floor above gym) and I will put together an updated Inventory Sheet to be distributed via email to all Committees once it is complete and then to be put in the 1<sup>st</sup> VP Binder. I will be asking the various committees to write a report on the inventory of their stock once their event has concluded and I will update the Inventory Form. This includes the following committees: Post Prom, (and all the activities associated with Post Prom) Senior Showcase, Hospitality, 3 on 3 Basketball, and Senior Awards Celebration.

3. **2<sup>nd</sup> Vice President – Nan and Rob Reynolds**

Membership Update: 251 members, \$18,000 with 2 new memberships since last meeting. Requesting the website to be updated to show sponsors, rev Also reviewed online sales spreadsheet

4. **Treasurer – Gabriella**

November financial statement was reviewed and approved; Debbie made a motion to accept the November financial statement, Nan seconded.

December financial statement was reviewed and approved; Nan made a motion to accept the December financial statement, Deb seconded.

**V. Committee Reports**

**3 On 3 - by Carrie Daca via email**

Dates are March 11th & 12<sup>th</sup>. The following need to be done: Registration information to be uploaded to the website and the link to be sent out and 850 envelopes from the Boosters for a mailing, getting announcements made and getting volunteers signed up. Noted that this year we combined 2 divisions and now are just offering an adult division rather than an intermediate and varsity divisions. In the past the 7th & 8th grade boys have not had a chance to participate in the contests, because of the time it was offered, so we switched up Sunday's schedule to accommodate that. We typically haven't had many HS kids participate in the contests so we are hoping that by switching times more middle school boys will participate.

**ACTS by Same Reif via email**

I will be meeting this week with the district wide ACTS committee to plan our next two events which will both take place in the month of February: Valentines for Vets and Project Linus

Valentines for Vets runs very much like Gratitude Day- Kids come to the Commons after school on their own, as groups or with teams or clubs, to make valentines that will be sent via our Glendale Heights Post Office to veterans and active duty military both here and abroad. We will hope to have a Veteran join us as we did last year. Parent volunteers will be needed to donate snacks, treats and water. Pizza will be provided. I have some money left in a Jewel gift card that I had solicited for Gratitude Day that I will use for snacks as well.

Sign up early if you want to help. A Sign Up Genius will be created within the next few weeks.

Project Linus will take place on Presidents Day at Ackerman. Kids from all 4 Glenbards will come and make fleece tie blankets to be donated to kids in local hospitals. Donations of fleece are always welcome, but volunteers are not needed for this event.

### **Booster Bucks – by Marla Jedlicka via email**

The "Booster News - Special Edition - Booster Bucks" was a hit. A number of new families signed up. And it drew attention to Visa and American Express cards-- the purchase of those skyrocketed during the weeks leading up to Christmas.

New this year -- Booster Bucks earnings can be used for Prom (post prom?) tickets. Anyone wanting to change their selection, email me at [BoosterBucks@gsBoosters.com](mailto:BoosterBucks@gsBoosters.com)

### **Buy-a-Brick by Andrea**

Will update pricing and flyer with new pricing structure, so that smaller bricks are not being sold at a loss

### **Concessions by Karey Moore via email**

Wrestling – We had a difficult time getting volunteers, there are only one home meet left for the season. Elisa Salerno was a huge help this season!

Boys Basketball – There has been a great response from the families, especially for Pack the Place. We need to work on a few open slots for the rest of January and February. Karen Enright is the closer and I am the opener.

Girls Basketball - We've had a pretty good response from families, we still have many open spots to fill for January and February. We have no GBB volunteers for Pack the Place. Carrie Daca is the closer and I am helping open along with Nancy Bristow. If we do not get volunteers for the open spots; we may not be able to open for some games. We are hosting the IHSA Sectionals on Feb.20th and the 23rd.

Track Boys/Girls – There is a parent meeting on Monday, Jan.9<sup>th</sup> for boys and girls track. I will be there to talk to the parents and pass around a contact information sheet. The first meet is Feb.18th and Mar.14th.

Girls Soccer – I am waiting to get information on the coaching staff so I contact them about the parent meeting. The first game is Mar.16th.

Glen Crest Track-I will be contacting GC for the season schedule and parent meeting date.

### **Floral Symphony - Susan Vanderford via email**

Update is we have started revving up for the Floral Symphony. We have set the mail stuffing date and I am in contact with Chris Kozich to find out more.

**Newsletter – Mark**

Newsletter will be emailed soon.

**Pack the Place – Karey Moore via email**

I am checking in with Stacia Hamsho at Chick-fil-A this week so we can set up and confirm all of the details for Jan.20th. Information is in the latest Booster Blast and it will run every week leading up to the event. There has been an increase in price from \$3.00 to \$3.14 pickup/\$3.91 delivery. We will be picking up the sandwiches to get the lower price. We will be ordering 150 sandwiches, we sold out with 75 last year and feel that we can sell 150 this year. We will keep the price at \$3.50 per sandwich and \$6.00 for a meal.

This year, we will have a concession table and the concession stand available to purchase food and drinks. We have a plan in place and have worked out the details with Mr. Cuny.

We need more for the 5-7pm shift; we have one volunteer. We have five of the eight we need for the 7-9pm shift. I have reached out to girls' basketball, boys basketball and wrestling. I will reach out to the football, volleyball and boys soccer families this week. We also have links in the Booster Blast. Monica and I plan to be there all night from open to close.

**Plant Sale – Debbie**

Plant sale flyer is in the office, on the website, will be in the newsletter and available at Pack the Place.

**Post Prom/Winter Social/Restaurant Nights–**

Melanie R. set Portillo's fundraiser night for Monday, Feb. 6, 2017

**Raider Spirit Yard Sign– No Report**

**Raider Wear– No Report**

**Senior Showcase – No Report**

**Super Bowl Pool – Mark**

Applying for raffle license at the county for this and all annual events

**Vision and Hearing Screening -** Deb reported that Vision and Hearing and Young Hearts for Life went smoothly and had enough volunteers.

**Website/Sign Up genius – No Report**

**Young Hearts for Life – No Report**

**VI. Old Business - None**

**VII. New Business –**

Mark reminded us that Mr. Cuny would be at the February Boosters meeting to discuss the facilities plan

Martha will place an order for envelopes as they are needed for upcoming events

As noted in Monica's notes: Monica, Deb, and Martha went into the flooded Booster closet today. Cleaned up and organized Booster event bins. Lots of stuff, not just Booster related items in space. Asked Gabriella for clarification on length of time to keep Booster information as there are many years' worth in the room.

**VIII. Adjournment -** Motion to adjourn by Gabriella, seconded by Nan. Meeting adjourned at 8:32pm

**Next Meeting: Monday, February 6, 2017 7:00pm**

Minutes taken by Martha Pfefferman

Minutes compiled and submitted by Andrea Leppert
